

## MEALS OF LOVE MINISTRY POLICY

### **POLICY:**

1. The Women's Ministry will be available and responsible for providing one meal each day for 3 to 5 days (length depends on the situation) during a recovery period when the women of the house returns from the hospital or is recuperating from an illness or injury.

### **PROCEDURE:**

1. The Coordinator will make all necessary contacts with the members of the Women's Ministry to solicit food items for the meals. The patient will be contacted to find out any likes or dislikes and whether there would be any opposition to bringing in meals.
2. The Women's Ministry will supply an entire meal or as has been arranged by the individual family.
3. Food will be taken to the home by a WM member before the established time of the meal.
4. The Coordinator will check with the family when meal time is and inform the member when the food item or meal should be taken to the house.
5. A list of meals coming in and who will be providing food will be given to the patient or family so they can be prepared.
6. Suggested meals for five days:

Day 1	Tossed Salad Homemade soup Jello Rolls		
Day 2	Chicken casserole Cake		
Day 3	Scalloped potatoes and ham Vegetables Ice Cream	(Summer)	Potato or Macaroni Salad Cold cuts
